Thread: [PS4 CoD Infinite Warfare: Legacy Edition \(includes CoD 4\) UNOPENED PHYSICAL COPY](#)

Wirt - January 2, 2017, 8:07 pm

Title says it all. I have a physical unopened copy of Call of Duty: Infinite Warfare Legacy Edition (INCLUDES MODERN WARFARE REMASTERED) for the PS4. I'm looking to sell it for a low price.

Please let me know if interested. I can also provide proof if necessary.

Under no circumstances will I go first. I will however accept a middleman that we both agree on. I accept BTC only.

Thanks.

Price: Offer me :)
