Read the help documents... It answers 99% of your questions.

Answer: No you will not get banned, and as long as they did not break the rules for reputation you're fine. "DWC" is allowed, but you can't say someone scammed you for example.

Lmao, that is kind of true. OP doesn't seem like he'll be here long, especially if he does not read the [Help Docs](#) to find out whether or not what he is asking is already answered.

He joined 300 days ago, why should he get closed now? smh

SIM-3257834 - January 2, 2017, 10:54 pm

Nothing in the rules that say DWC is rep abuse. Just don't call some a scammer or link a DD thread that doesn't belong to you.

Quote:Someone left me a Deal With Caution reputation, isn't that abuse?

We do not consider DWC (Deal With Caution) reputations abuse by itself. We consider it good advice for all members in all situations when doing deals.

Quote:What is revenge rep and is it allowed?

Revenge rep is the practice of getting a negative reputation after you have given that member a negative. This is not against the rules. Clearly if you leave someone a negative, you can expect them to reciprocate. Think carefully about your choices when leaving reputation. If you fear revenge rep, then reconsider. Admins will not take action on revenge reps. Still, our no-flaming rule does apply to all reps given.

You put a link to the rules, but didn't read them? Bit idiotic.

He can revenge rep and he can say DWC...

Bluffer - January 2, 2017, 11:25 pm

I think somebody did that to a bunch of members and they lost their account for it. Wait for a reply from Omni though to be sure.

Benny Jamz - January 3, 2017, 1:34 am

No you can't get banned for putting the same text in the rep at several members. As long as you don't violate the policies, you're all good.

I'd close your account for spamming LQP and harassing members.

Now you're closed for ban evasion.
