Thread: [IPTorrents Invite \(3 Available\)](#)

xbls.Sikovit - January 3, 2017, 2:44 pm

Decided to invite a few Ub3r users of my choice to IPTorrents.

Not all requesting Ub3rs will get an invite.

Firm requirements are as follows. Trustworthy.

Maintain positive up/down ratio.

Do not ask for invite if you already have an account. (Dupe accounts will be disabled)

Jailed/Banned users from IPT are prohibited.

Invitations are used to allow friends and family access to the iPTorrents community. The invitation to iPTorrents will be sent instantly

to the email address that you provide, so please ensure it is accurate. The invitee will have to confirm their account via a unique link in the email.

Please ensure to read the rules of the site after confirming your account!

Please note: Staff have the ability to remove my invite privileges. If I lose these, I will not get them back

I have sent you a PM for one of these :) Thanks in advance.

I would be very careful doing this, most people do not maintain their ratio.

I am aware of this, thank you.

I am only inviting a few out of many invites I have.

Thanks for the input.

Lucky Ub3rs, let me know if you do one for L33Ts, would really appreciate an invite.

Good luck to all whom are entering.

I'd like to get this if possible if there is still 1 left? Let me know through PM if I'd have to provide my e-mail address or other information
