Due to the amount of PM's I had lately, I'm thinking about selling this eBook again. Just an auto-buy for \$3-\$5, anyway, until then it's 100% for free ?

EDITED:

Selling this eBook again, due to the amount of PM requests.

Price: \$3 (\$1 is too less, \$5 is too much)

Where: Ebook Bazaar (of course haha)

How: AutoBuy (Rocketr.net)

Thank you all for the kind feedback! ?
