Thread: [What's your favorite userbar?](#)

Gradient - January 4, 2017, 10:08 am

My personal preference has to be the enigma but I do like the writer's one too.

I think they're pretty decent looking and they go well with profiles and the Hack Forums background.

The userbar im wearing right now is my favorite userbar

J?son - January 4, 2017, 10:11 am

i really like riptides userbar

its the only userbar that doest look like complete aids

Cabo - January 4, 2017, 10:12 am

The Brotherhood is my favorite current userbar.

Prophett - January 4, 2017, 10:18 am

Red Lions, without a doubt. I like the drop shadow effect on the username too.

In?sane? - January 4, 2017, 10:31 am

Echo has the best looking one imo.

I think ub3r is the best userbar, makes them normal kids respect me because of my ability to throw red apples.

V For Vendetta - January 4, 2017, 10:35 am

All bout royalty userbae tbh

2073436 - January 4, 2017, 10:36 am

I like the enigma one. It shows prestige.

I think the Illuminati and writer userbars are quite nice, but I'd like the normal UB3R userbar as well.

MeltyNet - January 4, 2017, 10:41 am

I love the 'Illuminati' userbar and some day I would love to join the group.

ze-slade - January 4, 2017, 10:42 am

Old: Polymath

Current: Brotherhood

Kubaa - January 4, 2017, 10:48 am

I liked Legion one when it was still around.

All you new kids have no idea.
