Earn 5,000 elevate points and save \$100 on 12 award-winning wines – from 91-point Prosecco to gold-medal Italian Pinot Grigio and classic California Cabernet – yours for only \$79.99, with FREE shipping.

Better yet, get three FREE bottles of super-smooth, gold-medal Spanish Reserva (worth \$41.97). You've got options too: take the featured mix, or go for an all-reds or all-whites selection for the same outrageously good price.
