Man I really need to find some more of these, so damn relevant.

Anyone know of anything like these?

Didn't you post this thread with less songs like a week ago? Or am I caught in some matrix glitch where I'm having false memories implanted

Good man, always nice to listen to something emotional from time to time. It's nice to relate to people in a different way.

You need to get some good vibes man.

Try YG. I'm currently listening to [Video: <https://youtu.be/1MgtgOudOFE>]

Don't listen to that type of shit too much, it'll bring you down.
