Thread: [\[S\] Word Password breaker](#)

boddeHD - January 5, 2017, 6:48 am

Hello guys,

Im new in this forum and my english is a bit broke.

Im searching someone who is able to crack a word file secured with a password.

This file is created with Office Word 2010 and is saved with an password.

If somebody is able to give me this passwort i would pay 20 € Paysafecard [DE].
