I know for a fact this is not Cryptic's Skype.

Thanks for the heads up OP.

That sucks, but I advise you to never deal with anyone anywhere unless you verify them on HF before the deal is made. Even then, be careful who you deal with.

Cryptic rarely uses Skype and I don't think he is into eWhoring in the slightest.

Cryptic™ - January 5, 2017, 8:24 pm

A lot of people have been impersonating me lol.

And I despise ewhoring lmao.
