Thread: [I drew Trump today- pls R8 8/8 no H8](#)

D4rk0 - January 6, 2017, 8:59 am

Severe criticism accepted.

Goodies - January 6, 2017, 9:00 am

Love it.

Can you scan it and send it to me please?

Cammy - January 6, 2017, 9:01 am

He is not as fat in reality

Grand Pootis - January 6, 2017, 9:01 am

Ugh, another meta attempt at criticism of Trump.

Are you like those old ladies on Facebook who don't know how to save a picture?

For sure, expect a pm from me later tonight or tomorrow morning.

Are you one of those idiots who want a low-res picture with a keyboard in the middle of a masterpiece? No thanks. I'd rather a high-dpi scan of it.

Ytube - January 6, 2017, 9:03 am

He looks cute enough to pinch his chubby cheeks. ?

Shoto - January 6, 2017, 9:03 am

That looks really nice I wish that i could draw that nice...

Baseplate - January 6, 2017, 9:04 am

I think that it's spot-on. Good job!

Uh-oh, did I rustle your jimmies? He asked for severe criticism, and I gave my solicited opinion.

Yes, I prefer to see mediocre art in low resolution. I might get cancer if I see it high res. Thank you for your always valued opinion!

Political comics are not meant to be anatomically accurate. He's nowhere near that fat, but he's well above average (very close to obese, actually). He's 6'3 and 236 (last reported weight). If he hits 240, he'll be officially obese. [\(Click to View\)](#)

It's just a friendly internet argument. I love how me being bombastic and intentionally antagonistic comes across as being rustled, though. You're easy to troll and I'm literally not even trying.

Alright, van gough, let's see what you got... draw me a picture of Hillary running a pedophile ring and I'll tell you if it's good.

Huh, never knew that's how it was spelled, but I guess we learn something new every day.

I love how me being a sardonic asshole comes across as me being gullible, though. I'll have to yield to your far superior intellectual capacities. It was a mistake to try to argue with someone who specializes in SRPP didactic platitudes.

Your gullibility is neither portrayed through your sardonicism, nor something that I've even asserted. Asking me about the state of my jimmies in response to a perfectly valid question, with no emotional element whatsoever, is so telling. It's classic projection.

Also, you say "SRPP didactic platitudes" as if that's a bad thing.

?Shady - January 6, 2017, 9:22 am

This is golden!

I rate it 11/10.

Grand Pootis - January 6, 2017, 9:23 am

Please rate my drawing that is superior: <https://hackforums.net/showthread.php?tid=5515866>
