Thread: [Favorite Type of Dog?](#)

oRequiem - January 7, 2017, 12:03 am

Okay so, I watch a Vlogger on YouTube and him having a dog just makes me want to have one.

I guess because I don't have one, makes me want one more and makes me love them more.

The dog I will get someday is going to be an Australian Shepherd.

So I'm wondering, what type of dog do you have and/or what type of dog do you love?

If you don't like dogs, you're not a human.

Yeah, people always are scared of them, but they aren't even like vicious.

I saw like a documentary on it or something a while ago ? Pitbulls are amazing though.

MightyOne - January 7, 2017, 4:46 am

definitely a Bullmastiff! they are amazing! they become so big but they're beautiful and so smart! ive seen a few in live and they are truly amazing. i promise you that

BR?ND?N - January 7, 2017, 5:03 am

I really love Huskies. Been wanting one for a long time.

Yin Yang - January 7, 2017, 5:07 am

German Sheperd was my first love. But I like many other breeds too like rottweilers, pitbulls, huskies, shih tzus, pugs, etc. The only ones that I'm not really fond of are Dobermans or bulldogs just because they look evil looking. I'm sure some of them are nice and whatnot, but I just wouldn't personally own one

corcuff - January 7, 2017, 5:08 am

I have a rottweiler, pal.

Yeah, reading these replies.
It seems like Husky's are a very popular favorite.

Invictum - January 7, 2017, 7:00 am

Shiba Inu & Huskies.

My ex had a Husky/Wolf mix, absolutely beautiful dog.

Archeery - January 7, 2017, 7:10 am

Red Nose Pitbull, but I'm a "dog lover"!

Goal in 2k17: Pet more dogs. Yes, definitely pet more dogs.

K l a u s - January 7, 2017, 7:11 am

Unpopular opinion but I think dogs are pretty filthy and require way too much attention to be of any interest to me.

Callmedragon - January 7, 2017, 7:21 am

Any Medium/large dog. English Mastiffs and Labs are my favorite though, but really I like any non small dog. Small dogs are annoying IMO.

Artifex - January 7, 2017, 7:22 am

I like any dog that is nice honestly. If I had to get a dog of my own though, I'd probably get a black lab.

Tay™ - January 7, 2017, 8:51 am

My dream dog is a Belgian Malinois. They're beautiful and the drive they have is insane. Although I won't complain about my 5 dogs now. I love them all. But I hope to get a Malinois one day.

A tad late but yes 5, 2 Louisiana Catahoula Leopard dogs one of whom is deaf. A silver lab and a chocolate lab, and a little mixed breed. although occasionally we do foster dogs, and do dog transports to help out so the number increases with fosters.

Avoyel - January 11, 2017, 9:16 pm
