Thread: [Youtube Channels to Binge Watch?](#)

?O?? - January 7, 2017, 4:26 am

Im looking for some channels to binge watch. I am bored right now. I have been intrigued by this user. He builds stuff in the wild from scratch. Oh lol I reached 777 Posts. Woop woop.

Also want to add Braille Skateboarding

They have a series called: You make it we skate it.

And they put trunks on pretty much random shit they get send in and its pretty fun to watch even though i dont skate at all

I find watching speedruns of my favourite past-time games honestly relaxing and enjoyable. Work your way through the AGDQ marathon videos! Here is a Bot playing Brain Age:

I have found LinusTechTips, JaysTwoCents, some guy that make all kinds of fictional swords (from anime too yes) named Michaelcthulhu and finally, some hilarious YouTube poops from ChickenPica.
