Thread: [\\$9.85 worth of amazon products \(including postage\)](#)

The Lowlife - January 7, 2017, 7:45 am

Am giving away an amazon product from amazon.com of your choice, worth up to \$9.85 inc postage.

Would advice you get some food or fizzy drink but if you find something else be my guest.

Rules:

No open valid scam reports.

+Only 1 entry per person.

You post number will be your entry number and number will be picked using random.org.

If you win send me a link of your wish list with your address hidden.

Will end this in 48 hours.

EDIT: This is only valid for people within the US as shippings to high to ship outside US

Thanks The Lowlife.

Amaranthe - January 7, 2017, 7:48 am

Not entering myself, but having seen your previous post you should add that this is only open to those in the US. I'm in the UK like you hence why I'm not entering.
