Shoot me all the Anime with MCs that doesn't give a fuck the way Houtarou Oreki does in Hyouka. I find this hilarious as hell. They can be OP that just don't care, aren't bothered to do anything and/or are annoyed as well.

Heero Yuy is literally the embodiment of not giving a fuck.

Assuming you're looking for anime of this caliber that you have not seen (which is already hard to find as it is :P), here's what I got (I did include older anime, ik you don't like them senpai but you can always try older ones ;)):

- MD Geist - Geist
- Hellsing - Alucard
- Higashi no Eden - Akira Takizawa
- (potentially): Mushi-Shi - Ginko (he does show his emotions every now and then when deemed but generally just a calm guy, so this is 50/50)
- Blood Lad - Staz
- Seirei no Moribito - Balsa
- Kaze no Stigma - Kazuma Yagami

Those should do for now ;)
