Thread: [Is this memeber is just repping everyone an invalid rep?](#)

Patzan - January 9, 2017, 7:07 am

I found a member that all his given rep are just DWC for normal people, just as a revange for the neg they gave him.

I'm pretty sure its invalid from the reason its just a revange for no reason.

Its not even allowed to call someone a scammer in he's rep.

These are invalid reputation but iirc you cannot report them unless they were on you.

Well, you are not but I don't think thats an invalid rep.

I think it's childish of you to post a thread just because he gave you a neutral.

Agreed.

Also it's revenge not revange.

It was a a revenge rep, because he neutraled me about a week ago, and i neutraled him back just now. It's quite childish tbh. I even offered OP to solve this matter.

Lmao

You repped him first and now you get a revenge rep and you cry 'n shit?

Dude get a grip.

You can only expect a reaction on your given rep

I told OP about his mistake and I hope its all ok now.

/Thread.
