[Kono Subarashii Sekai ni Shukufuku wo! gets a second season](#), and it has just started airing.

If you haven't seen the first season, I urge you to watch it. Its a fun, light hearted comedy.

Who else is watching it?

RainbowHentAi - January 11, 2017, 4:49 pm

Season two started out pretty interesting

Esdese - January 11, 2017, 5:20 pm

Literally laughed out loud about 3 times during the season premier. Looks very very promising

DotGlass - January 11, 2017, 9:47 pm

This anime make me very happy, i can't wait for watch the first episode of the second season, if in a future there's a third season will be awesome.

Megumin <3

Edit: Just noticed is already available in my language with lyrics, yay!

Lyrlei - January 11, 2017, 9:49 pm

I'm so glad this came out haha. I had to drop on reading the Novel because the anime is too enjoyable and didn't want to spoil myself.

This season is so good ^_^

Yuikoro - January 12, 2017, 12:57 am

First episode was wonderful, I think it was pulled off better than S1's premiere. Though perhaps it's because they've already established good character chemistry making it feel more like an extra episode from s1 rather than an entirely new season.

Hakai - January 12, 2017, 2:00 am

The wait was long but really happy with this start.

Love all the characters, can't wait to see what they come up with this season.

Professor Pantsu - January 12, 2017, 8:08 am

I did really like the first episode, but man does deen need to step their game up with art and animation.

Lvl 69 Teemo - January 12, 2017, 12:52 pm

I loved the first season of the anime. I'm definitely going to watch this when I get home today.

Hakai - January 19, 2017, 8:36 pm

Funny Megumin Episode <3<3

Meanwhile Darkness is getting abused in a dungeon, she must be so happy. ?

?aber - January 19, 2017, 10:13 pm

Best part so far was the integration scene

also here is the original Hakai , more kawaii with music
[Video: <https://www.youtube.com/watch?v=0UpZnSjMko4>]

Tsunfire - January 19, 2017, 10:59 pm

Megumin is definitely one qt

Yuikoro - January 20, 2017, 2:10 am

Yeah, love that music too.

Wish their artstyle was as good as my avatar, it really looks like a 1995 anime.

But still good.

Tasemu - January 20, 2017, 2:31 am

Surprised I didn't hate this series. Which speaks volumes for it considering. Its actually pretty good, and they hold off a little on the stupid moe ecchi bullcrap which makes me happy.

I really like ecchis but it kind of makes me cringe when i see it in this anime. Megumin is more like a little sister than a waifu. ?

SIM-3395440 - February 23, 2017, 5:28 am

Very good anime I like it always something bad happens when they got some big money prize :D I hope that Kazuma will learn some really good skill

Esdese - February 23, 2017, 4:18 pm

Last episode was super boring, but looks like next episode will be top tier :^)

RainbowHentAi - March 16, 2017, 11:26 pm

And people say Aqua was useless, she was really helpful in that last ep

Yui-Senpai - March 17, 2017, 7:29 am

I keep seeing gifs and fan art of Konosuba however still need to watch it.

Esdese - March 17, 2017, 6:25 pm

Let's hope with the sales of the super ecchi Aqua+Megumin figures it's enough to fund another season!!!!1111

Black Hole - March 18, 2017, 11:55 am

Love how they cut off Kazuma right as he was about to tease another season....

Really not sure why this show is not deserving of longer seasons, at least 12 episode season guys, c'mon.

considering how soon this was after the first season and how little eps I'm sure this was already planned ahead of time but waited to be animated or whatever to see how well the first season did. Much like GATE
