Hello HF Members

Vouch's

(Mar 15, 2017 10:32 AM)vaiperboy Wrote: [\[CITE\]](#) just finished 3 hours lessons with him n still got few hours left!

OP is a very experienced pentester, he's also a great guy to with, a very chill one as well. He taught way more than i paid for, never cared for the timing, he event went to a cafe for faster connection. Lessons are way too cheap imo n he deserves a lot more than these prices, a one big vouch for OP, i also made friends with him,

cheers n thank you my man ?

(Nov 16, 2015 09:18 PM)Freerunning Wrote: [\[CITE\]](#) I got a vouch copy of this service. My mentoring will start tomorrow but as what I observed he is very professional about his job. I will update this after the mentoring.

I did picked the RCE (Remote code execution) since I'm not the popular with it. So let's see how it goes.

(Nov 20, 2015 10:35 PM)HackOnTheGo Wrote: [\[CITE\]](#) So let start off by stating that I am not new to HF(Don't let the noob status fool you). I have written tutorials and have paid for services.

Let me just say I am on my first lesson and it is a great experience! He is friendly, engaging and very cool. He knows what he is doing. Give him a chance and I promise he will not disappointed. If you have no experience in SQL or anything web related he will give you everything you will need to

know. I vouch for him. I will keep updated with each lesson. So far amazing. ?

(Nov 23, 2015 01:48 AM)Dream Chaser Wrote: [\[CITE\]](#) Great service, VOUCH for this guy! Definitely knows what he is talking about. Will be doing all the lessons.

(Nov 25, 2015 09:01 PM)HackOnTheGo Wrote: [\[CITE\]](#) Update. Lesson 1 went amazing. We tested on live targets and I saw his teachings in action. He is very knowledgeable, helps you through every problem and will answer any questions you have in great details. I am in the middle of lesson 2. Keep up the good work. :D
