Thread: [\[Preview\] Animated Theme](#)

thebestusername - January 12, 2017, 8:35 am

Sup HF working on a theme, only made some buttons and a textbox right now, tho i might work on it a bit more if you like it

If has some opening animations
[imgur. com/iw6GKi9](https://imgur.com/iw6GKi9)

some slight animation on the textboxes
[imgur. com/AcU3obX](https://imgur.com/AcU3obX)

and some buttons animations
[imgur. com/bas3TCL](https://imgur.com/bas3TCL)

please give me some feedback on this

Post code or its not worth any of our time. If your asking for help regarding code then your fine, but if there is NO CODE then its a NO SHOW; aka your posting in the wrong section.

First of all thanks you very much for posting the links

secoundly, i wanted to post this thread to see if you guys were interested in this theme, if you are im going to finish it and relsease the code, if not im going to drop the project. :)

If my name would be Shia LaBeouf, I would say: Just do it xp
It looks nice :)

Oh thank you so much for posting those link.

OP! Post it here so we can help you remove that flickering thing.
