Masamune-kun no Revenge

Synopsis courtesy of MAL

As a child, Masamune Makabe once suffered greatly at the hands of a wealthy and beautiful girl named Aki Adagaki, who nicknamed him "Piggy" due to his chubby appearance. Seeking revenge against his tormentor, Masamune works hard to improve himself and returns as an incredibly handsome, albeit narcissistic, high school student. When he encounters Aki once again, he is prepared to exact vengeance.

With the aid of the rich girl's maid, Yoshino Koiwai, Masamune slowly begins to build his relationship with Aki, intending to break her heart when the time is right. However, as his friendship with Aki begins to grow, Masamune starts to question the objectives of his devious plans, and if bringing them to fruition is what his heart truly desires.

I thought the 1st episode set the stage quite nicely and the 2nd followed up with it. I hate ongoing animes...honestly. 25 minutes sure did go by fast. Can't wait for the next ep.

Esdesse - January 12, 2017, 7:09 pm

1st ep was good, but the way it looks like it's gonna be left on a major cliffhanger that will force people to read the manga/light manga zzz

Lyralei - January 12, 2017, 7:44 pm

Read this manga awhile back. This series is pretty gud. Would recommend- Manga updates take forever thou.

Spoiler [\(Click to View\)](#)the animation is so shiny

Stashyy - January 12, 2017, 7:45 pm

Read the manga and I love it.

Anime meh.
But ima watch it.

severos - January 13, 2017, 10:38 am

I'm still discussing it with my self if I should pick it up or not... I have lots of 'due' anime to watch, but if I don't get something new every now and then I tend to forget keeping up with them =,="

Kiyoshi - January 14, 2017, 3:03 pm

I am currently watching it, but as for now, imo, it's pretty mediocre.
I've gotten pretty bored of these kind of setups.

Disparity - January 14, 2017, 5:50 pm

Watched the first two episodes today, and it's pretty good so far. As someone mentioned, ongoing is really annoying. Can't wait for the next episode.

Aura - January 15, 2017, 10:48 am

I've read the Manga (up till the last chapter available at that time) as I'll be watching it once the season ends. If they make the Anime as good as the Manga is, it'll be a really good watch.

Edit: Also, Kojuurou Shuri will satisfy are your trap needs.

TheMadMin3r - January 16, 2017, 12:54 pm

I've watched the first two episodes today and I've liked it so far. Does anyone know how many episodes it is meant to be getting?

Autist - January 16, 2017, 1:13 pm

Posting here to come back to get the name so i can watch at a later time

Tasemu - January 16, 2017, 6:19 pm

usually cant stand this kind of shit but for some reason this series is alright, and doesn't make me cringe.

Esdese - January 17, 2017, 6:06 am

Got too curious and searched up manga spoilers and well, I'm not going to be finishing this anime, lol.

I am really enjoying this show :)

User X - February 11, 2017, 9:47 pm

This shit is awesome(the animation/humor/story~) but the development is pretty slow. I wouldn't recommend watching it rn or you'll die from the cliffhangers.

severos - February 11, 2017, 9:54 pm

Damn, I really need to move this to my watching list... should I schedule it instead of trickster?? or it's not worth it yet?

I'd recommend this instead of trickster, but again they are of a different style of anime.

NKVD - February 12, 2017, 7:58 am

this new girl sucks
completely ruining the magic

cokecaine - February 13, 2017, 4:01 pm

Im on ep. 4 right now. I'm liking it so far but I feel like there's going to be a twist that's going to ruin it a bit. Hopefully not tho.

I agree. Fuck Neko.

chaosinblade - February 14, 2017, 5:59 pm

I feel like adding someone in to the already amazing anime only helps it. Lets be honest it would get boring after 5-6 episode of the same person with no conflict. The only exception to this SAKAMOTO DESU GA? even then it introduces new characters though it may Kill the Ship it kinda helps the series move along and keep going

nah she adds to the plot (incoming threesome)

Agramon - February 17, 2017, 6:14 pm

verydank - February 28, 2017, 12:10 pm

Watched episode 8 right now, this anime keeps on amazing me. Already hyped for the next episode.
