I think hes saying Ivanka Trump will be an important asset to Donald... Or hes saying that Trump is a HC plant and he will be effectively the same as her. Either way this post is kinda stupid lol

Oh i get it now;

Italics

First let I, third letter a:

Ivanka

First letter I, third letter a

Also Italics kind of looks like Italian

After doing loads of research using my top secret NSA search engine i found this article:

<http://www.nydailynews.com/news/national/ivanka-trump-stole-high-end-heel-designs-italian-label-suit-article-1.2683860>

Basically Ivanka wore an Italian dress which explains everything OP is trying to explain. Case closed.
