Probably not much to be very honest with you. Is it cracked? Best i can see you getting for this is like 20 bucks. Not the best games. If it's cracked probs only worth around \$5 or something.

CASTIEL - January 14, 2017, 1:12 am

I'll pay my whole wallet. So \$0.09.

Aight, but seriously. This is probably around \$20-\$30 as the other guy said. Maybe \$5-\$8 if cracked.
