Thread: [\[Sell\] GTA 5 Rockstar Games Social Club Account \\$6 BTC](#)

XYLA - January 16, 2017, 8:40 am

Hi HackForums,

I sell my GTA 5 Rockstar Games SocialClub account.

There is the sell link : <https://rocketr.net/buy/666a2962d5a1>

Regulus - January 16, 2017, 8:41 am

Is this your personal account?

Can I change information and so on, on it without it gets taken back?

I might be interested in this :)

It's not my personal account but you can change everything you want but not the birthdate.

Warning, if you change the username you can't change it for 365 days

i buy it from a friend some weeks ago, i don't think it is cracked

SIM-3257834 - January 16, 2017, 11:45 pm

Have the emails been verified on any of them and any warranty?
