Thread: [Give me a topic to rap about | ANYTHING | ILL DO IT |](#)

FunctionDev - January 16, 2017, 6:12 pm

So i'm bored and made a simple little shitty rap about black people (lol) earlier in another thread and it got some laughs so I decided why not have you guys give me a topic to rap about and i'll do a freestyle on it. It could be about a member, or anything. I'll be using Vocaroo.

#FUNCTIONWASTHEFIRST just incase anyone decides to steal this.

RAPPING IS CLOSED RIGHT NOW AS I GOT SHIT TO DO TOMORROW MORNING AND CBA TO STAY UP ALL NIGHT. ITS MY FIRST DAY OF KINDERGARTEN!

Enzio - January 16, 2017, 6:13 pm

Outstanding OP, if I didn't have you repped already I would've. You're a great person, please request more raps from OP, guys. I have a request coming from a group of guys in my teamspeak, they asked me to ask you to rap about 9/11.
