Yes beautiful skin guys i like that

Sasori - January 17, 2017, 2:37 pm

the red blue and bright green are poor color choices

looks cluttered near the bottom and your alignment is off in areas

whats with the weird smudge or shadow on the sun and clouds?

There isn't too much to say about it. You pretty much nailed it. Well executed. The final product is

clean, smooth, minimal but not too minimal. I'm assuming it came out as you'd hoped it would.

I can't access the website. Not sure if it's a general problem with the website or it's just my dns messing up.

if-ea - January 29, 2017, 1:02 pm

Could be your DNS, I just connected the hosting with the domain a few hours ago
