jimg1 - August 11, 2017, 3:32 am

Why all this p.m. me for the link nonsense ? If your giving it away then give it away and put a link up, why would you want all the added work of answering all the p.m's ? Unless there is something else in it for you maybe, and you know what i mean, cos i really do not understand why anyone would give themselves all that extra work, unless there was something in it for them, i've seen a few the same and i need a pack myself but im either to cautious or to suspicious to do it that way.
