Space• - January 18, 2017, 2:32 pm

Mullet Muscle - January 18, 2017, 2:35 pm

I'd like to win because I am trying to be a helpful member and plan to remain active for as long as I can and at the moment I am not working due to me being in a motorcycle accident so my income is at a halt.

Thank you for taking me into consideration and holding this contest. ?

F?cqlc?? - January 18, 2017, 2:39 pm

Meh. The most helpful thread I've made is my Discord guide.

<https://hackforums.net/showthread.php?tid=5494442>

I've made a handful of sushi threads but most notably my how-to video:

<https://hackforums.net/showthread.php?tid=5487293>

I probably don't deserve to win any more than other members but those are my biggest contributions nonetheless.

Thanks for the contest, sexy.

Quackles - January 19, 2017, 8:34 am

I'm in need of an upgrade to 3P1C due to the inbox limit, I provide consistent and constant giveaway on a weekly basis and provide unique methods and tools for people in need of them or whom cannot afford to get things, due to these giveaways my inbox is always full with requests and I have to constantly delete messages in order to send further messages and in order to even communicate with other members of the community; sometimes I even don't see the error message stating my inbox is full and accidentally close the tab so I miss out sending 5-15 people.

Examples of my current active giveaways:

[// GeT FrEe sTeAm gAmEs IEgALy! // LIMITED TIME! \[The Order\]](#)

[// PrEmLuM FoNt bUnDIE // Potential \\$200+ worth of similar fonts! \[The Order\]](#)

[// GeT ChEaP 8 BaLl pOoL CoLnS FoReVeR! // Free Method! \[The Order\]](#)

Previous Giveaway Threads:

[// Unlimited premium SSD hosting \\$3 for 3 years // 4 Weeks of Giveaways \[The Order\]](#)

[// UnLiMiTeD XbOx lIvE // A method to get free Xbox Live! \[The Order\]](#)

[Photography Bundle \[HQ unseen Photoshop Resources\]](#)

[The Massive Textures, Patterns and Backgrounds Bundle](#)

[Music Production Bundle \[Selfy Paid Bundle\]](#)

[All-in-One Bundle: Fonts, Mockups, Textures, Photoshop Actions & Extras\]](#)

[Original Unlimited Xbox Live Method](#)

Hopefully I win, thank you for hosting this also OP.

Micheal2 - January 19, 2017, 9:41 am

I would like to get Uber Upgrade,

And the reason i think I should win is that I am accepted for Uber from last 1 year, and I am the part of this community from last 3 years,

I love to be a uber member as I want to be a nice and faithful member of this community,
and love the wonderful members who contribute for the community to get better and better.
Thank You ?

Wyatt Garcia - January 19, 2017, 10:48 am

I'd like an award, maybe the gift one because I don't have it yet.

I have not contributed that much to the forum, but I'd hosted couple giveaways, gave away ebooks for free and sometimes money to people.

I always try to help people if I just have the ability to help them.

Not really much, would be so happy if I win this one.

Thank you OP and good luck to everyone else!

First off, I'd like to thank Eclipse for hosting this giveaway. Even if I don't win, it means a lot to know someone is out to help others. I would like to win, because even after only having been on HackForums for a couple days, I noticed that I'm going to be fairly active. As soon as I can have the funds to buy L33T, it will be purchased. I'm looking forward to contributing as much as I can to the #1 hacking community. ?

MightyOne - January 20, 2017, 2:03 pm

Hey man ! in 3 weeks im going to finish serving 3 years in the army and be a free man, then ill be fully active here in the forums.

That would be a lovely start for me here in this great community if someone kind could upgrade me to L33t, which is exactly the situation :)

if you dont choose me thats ok aswell, i can see why members who contributed alot more and didnt joined a month ago would be selected.

Goodluck to all participants :) <3

(Jan 22, 2017 11:12 PM)xadamxk Wrote: [CITE](#) I'm posting this as an example to other users - if you want to win one of these contests, put some effort into it.

I deserve to win this contest (an award) because I have spent weeks making an impact on this forum.

I came to HF with an interest in engineering and 0 previous knowledge of programming or computers for that matter.

After several years, tutorials, releases - I am 1 year away from graduating college with a degree in computer science.

From my time here on HF, I've made friends, used the information other users have posted to learn more, and have had the chance to give back to the community. I could list all the tutorials I've posted, scripts I've released, and members I have interacted with but that isn't what being part of this community is about.

Seeing members share their knowledge and help non-upgraded members is what keeps a community alive.

Thanks for the giveaway OP.giving away the secret sauce
only like 2 percent of HF members actually put thought into it
other 98 percent will say "thanks for the chance"

I want to enter to get 3pic because that is the next step I want to take in order to grow in HF and become a better member, I don't usually enter stuff like this as I think there's some else out there that need this more than me. The reason why I'm asking for this now is because I don't have the funds able of getting this at the moment.

i would love to have an award ?

DontWorryBeHappy - January 30, 2017, 1:21 am

I feel I should win because I'm a high-quality member who could offer a lot more to this forum with an upgrade.

Currently, I'm limited to where and what I can post which limits me from helping other members as well as being a more trusted member on site.

I have done completely legitimate business all over hf; helping some members launch their business, performing all legitimate exchanges for finances, offering advice, and though minor, even making many laugh.

I seek to enhance my presence on the forum and be acknowledged as more and more valuable each time I visit.

And upgrade would thoroughly help with all of that and would allow me to pursue applying for uber upgrade as well.

Thank you and I hope I win.
