Thread: [FUD Silent Miner](#)

GeekedUp - January 19, 2017, 7:32 am

Not sure if its allowed to be posted here but I modified a miner source and now I got it silent and FUD! Since its always generating a new signature it will always be FUD, I feel nice I will be giving this away for free to first 15 people to PM me

How can you possibly think you were going to get away with this?

Idiot

LastSession - *January 19, 2017, 8:59 am*

Received it and deleted it. Fucking idiot.

LS RX7 - *January 19, 2017, 9:15 am*

Wow what a fkn bitch.

Too short

Frankey - *January 19, 2017, 9:40 am*

It's a virus. Didn't open a builder but did open a process which uses 29,x % of my processor :P

Eagle 95 - *January 19, 2017, 10:41 am*

Download infected!
