I like the idea but I think you fell threw on the curves. Could've been much smoother in a sense.

Hydraxus - January 21, 2017, 8:48 am

Nice work OP! Is that supposed to be some kind of zombie based character? Because it seems like it to me. Rather than "random shit." ?

Skin - January 21, 2017, 8:49 am

That actually looks sick for a game, iPhone game or something. Good job.

ZuGgY - January 21, 2017, 8:52 am

If you're bored and have nothing to do, draw a tornado
A red tornado, aggressive

Reporter - January 21, 2017, 12:34 pm

Mullet Muscle - January 21, 2017, 12:34 pm

I do not like the angled brush, creates that depth inside of it, like a pin. The angles make these tapered sides that really throw me off. If you redo this with a proper brush set, that I would like to see. Highlights and shadows need better arrangement and placement.

Cheers.
