Very pleased with the vouch copy. As of now (3 minutes after he started) 51 bots online out of 100.

My file is 3/35 and .NET 2.0 dependent.

1 hour later, 46 online. Seems legit. Thanks OP

Would it be possible for you do anything a lil less? I don't want to make a huge investment and lose all the bots after a few days like the rest of the botnet shops.

HeyBuddy - April 29, 2017, 11:19 pm

Do not deal with. User has a open scam report and does not respond to the user who paid him \$75 for mixxed loads. Will change this and remove rep once you refund/deliver.
