Thread: [How do you change your signature?](#)

Cyboi - January 21, 2017, 9:43 am

How to I make and change my signature?

LePotato - January 21, 2017, 9:45 am

Go to "User CP" in the top right

Press change signature under "Your Profile"

FunctionDev - January 21, 2017, 9:47 am

How do I use the search button?

Cyboi - January 21, 2017, 9:47 am

I need 50 posts to change it so I can't do it yet.

Read the help documents before creating threads.

N1l0c - January 21, 2017, 9:48 am

Mate, you're spamming the whole forum by asking how to add Avatar, Signature etc... just check your CP. smh

Okay, well see what people on hackforums are doing by going to "View New Posts" in the top left and reply if like you feel you should.

Cyboi - January 21, 2017, 9:49 am

K I'll start to check my CP before asking questions next time
