Thread: [FREE - Product Launch Software - Generate \\$3247.32 in 7 days selling info products](#)

**RapidLaunchProfits** - January 21, 2017, 6:52 pm

What's up I'm Glad You're Here

Now I know you're skeptical and that's totally cool I would be too!

So I'm going to level with you. I launched my very own info product and \$3247.32 what i was able to generate in less than a week in sales.

I created a software to help anyone who'd like to get similar results out.

If You Want To Make Money Out of Your Knowledge Then this Is For You!

Get a Free Copy Of My HD Screen Recording Software To Record Your Own Info Products & Start Selling Your Info Online!

[Video: <https://www.youtube.com/watch?v=OwyUdYEFraU>]

You will receive the following

- 100% Free HD Screen Recording Software (Camtasia Like Results)
  - Step By Step Training On How To Record Your Own Info Products
  - Free Webinar Showing How I Made 3247.32 launching my very first info product
- If that sounds interesting.
