are they even homo sapiens they seem more closely related to orangutans is it just me

Zexo - January 21, 2017, 9:24 pm

Why u mean we just like anime ;(

For some strange reason I don't believe your name relates to you in any way. I think you're more of a 1.33 GPA

Kaleb - January 21, 2017, 9:25 pm

I think it's more likely some sort of disorder or genetic thing.
