Thread: [Overwatch Connoisseur | Your daily dose of overwatch](#)

OMARATION - January 23, 2017, 1:09 pm

Hey guys!

I'm starting a new project regarding Overwatch. It will be a facebook page and a blog which will contain quick news for overwatch, guides and giveaways and such.

Facebook Page - [HERE](#)

Blog - Coming Soon.

Graphics - Coming soon.

The blog will contain pro gamer interviews, giveaways, news, hero guides and everything overwatch related.

I would love it if you guys could leave below what you'd love to see the most and if also you could like and follow the page. Trust me, funny memes! I'd appreciate it if you would share aswell as it will help me in the long run.

If you want to help me out or want to be apart of this, message me or say something below.

You start a bit late imo regarding Overwatch (Should have started before game came out / right when it did it for most success).

I wish you the best of luck with your project!

Remember that SEO exists for facebook aswell to help grow your page!
