Thread: [Account deleted as "Lost or Stolen" - I'm the only one who has logged in?](#)

**2476580\_temp** - January 23, 2017, 3:48 pm

Hello,

My account "Coon and Friends" was terminated 4 days ago.

You can see by my trust scan that there is only 1 IP in the last 30 days, and it hasn't changed since 10-09-2015. I can't post a link to it otherwise I would.

I have PM'ed staff with no reply.

Not sure why this has happened, disappointing

Your account is gone forever man, there's no chance of getting it back. You either lost your account or someone has stolen it, like the Trust Scan says.

And for anyone lazy enough to search through members, here's the profile link;

I'm going to be honest, you were -12 anyway.

There wasn't much point being on here, looking at your reputation; you look LQ as fuck.

Sorry dude.

Sorry dude.

He could of been repfucked for having his account lost/stolen.

Yeah I was Repfucked, that's what happens when you get banned lmao. I had L33T with +53 REP

The trustscan says there is only 1 IP that has logged into it, so how have I lost the account?

Edit: I was logged into the account at 01-19-2017 05:16 PM when I reported someones post in the lounge. Logged back in at 9PM ish and it was restricted, but no one else has had access to it. Look

at:

Number of Unique Country Logins (last 30 days): 1  
Number of Unique Login IP's (last 30 days): 1  
Number of Unique ISP's (last 30 days): 1  
Last Login IP Change Date: 10-09-2015

How have I lost it? I can still log into it now but it has no access to anything

Your account has been closed for some reason. You can't do anything about it .

I've gathered it's been banned, I don't understand why. I haven't had the account stolen/lost, you can see from the trust scan.

It's not been banned, it's been closed, it's gone forever. Clearly there was some activity Omniscient did not like so he took your account.

Don't understand what I have done wrong. It states here "hackforums dot net/misc.php?action=help&hid=17" that staff would be in contact after an account was stolen, but perhaps not in this case.

I don't want to be part of a community that doesn't want me, so cya ?

Clearly you do want to be part of the community, hence why you've made an account asking, It may state you can contact Staff for that reason, HOWEVER, you're technically suppose to use the contact form for a stolen/lost account..

Closed for being a troll. Just chose the wrong reason when I closed the account. Fixed.

Don't join again.
