Gross, should have gotten Naruto or something.

Deany - January 23, 2017, 5:26 pm

Dat crab and snail

I was expecting a gundam kit tbh :^)

The only naruto books i have are chapters 59 and 61 of the manga in Chinese ?.

I did get 2 mushishi special manga as well, but this was the main stuff.

I got the [Ookami Kodomo no Ame to Yuki](#) artbook sometime last year which explains more about the places that were depicted in the anime and why (has a lot of writing).
This one focuses more on the raw sketches/trials of each scene, and has very little writing apart from the sketch notes on the drawings (Feels a lot more raw).

Very happy with both ?

Sweet dude, awesome gift!

frneox - January 24, 2017, 12:26 pm

nice man it's beautiful, share more of this to us

Ucel007 - January 24, 2017, 10:46 pm

That is soooo nice man! Truly a cool Christmas present :)

I did not draw this lol (I wish)

Its the animation notes for bakemonogatari

Croxie - January 26, 2017, 2:54 am

I love art books too! This looks awesome ^-^ Have you ever tried drawing in an anime style?
