Look, I was gonna go easy on you not to hurt your feelings
But I'm only going to get this one chance
Something's wrong, I can feel it
Just a feeling I've got
Like something's about to happen, but I don't know what
If that means what I think it means
We're in trouble, big trouble
And if he is as bananas as you say, I'm not taking any chances
You are just what the doc ordered
