Thread: [Ayyware user that I won - more thread about reportbot](#)

Patzan - January 25, 2017, 1:29 pm

<http://steamcommunity.com/profiles/76561198341641697>

Hey guys, I would like to know if someone can report this boy, I won him in HVH on MM and he used ayyware and played with 4 more friends.

I already sent my 5 (amount of accs I currently have) so if someone can send some, it will help.

Yes what's wrong?

Forgot about it, thanks.
