And description:

I love this of kind contests, that promotes high quality posts and contents, throughout our members, I think every member of this member should be HQ with their posts and with their contents, but unfortunately there are still lot of members lot of Upgraded members who posts shit. Actulally I am also not that HQ with my posts, But from now I will try my level best to be HQ, And thank You [Kill Joy](#) for the contribution that you are doing for this forum, It means alot.

Jot down what upgrade you are wanting to receive.

I would like to get And yaa I am already approved.
