My body is ready for the Irregular at magic high movie but there hasn't been much info out there or at least none that I can find except for this:

<http://www.otakutale.com/2016/mahouka-koukou-no-rettousei-anime-movie-releasing-january-2017-title-visual-trailer-revealed/>

saying that it's supposed to release jan 2017.
