The Original OP Prison server is back and better then ever!

What is OP Anarchy?

OP Anarchy is one of the first OP Prison servers teamed up with the server Prison Anarchy which is now closed down. The server has an amazing community and endless gameplay. Enrich yourself with exploring the custom built mines and rank yourself up to the top! We have a hand picked staff team on OP Anarchy and they are active ready to help! With our extended donation ranks available to purchase using the beautiful website powered by buycraft you can purchase any rank safely and endure yourself with the benefits.

What are you waiting for?

I'd play if this was a factions server, or minigames.

The graphics are amazing!

Just hopped on and it is great. You have a very decent sized player base for just re opening. You also have skyblock which is awesome.
