Thread: [\[WIN L33T\] 69th Reply Wins l33t \[WIN L33T\]](#)

specialkay - July 19, 2010, 5:16 pm

Tired of not winning l33t in these competitions? Win it easily here.

Terms:

Post quality replies (at least 2 sentences) of whatever, be the 69th reply (not including this starter post) and win l33t!

If an Ub3R or L33T lands on the 69th reply(not including this one) then the 70th reply wins.

Please note: I have the authority to disqualify HF members for trolling, flaming, and disobeying the terms.

Good Luck!

RESULTS:

Due to GTORacer double posting, one of his posts do not count. Therefore, the winner is Faulky. Thanks for competing!

#WizKhalifa - July 19, 2010, 5:17 pm

Well my 2 sentences are going about the number 69. When 6 met 9 is was a great masterpiece forever known as 69. Thank you for your time.

Prozaca - July 19, 2010, 5:17 pm

I'll help start this off. No one will want to post until it gets to 69 so it'll never get there lol.

Los Pollos - July 19, 2010, 5:17 pm

I wish i was caucasian, and had blonde hair... I like white girls but they don't really like asian looking guys... But luckily I don't look 100% asian... because i'm not 100% anyways...

#WizKhalifa - July 19, 2010, 5:18 pm

Their once was a man that had one hand with that one hand he met another man, and lets just say he lost his hand inside of the man.

P?r?more - July 19, 2010, 5:20 pm

I will help with this contest get anywhere near the 69th post.

#WizKhalifa - July 19, 2010, 5:23 pm

Their was was a g0t who had a cot in northern ireland. This g0t was a man with 2 hands that he had not lost inside of a man.

zShotS - July 19, 2010, 5:23 pm

Yeah, as above users said.

It's going to take forever to get to post 69 since people are greedy.

MVJESTIC - July 19, 2010, 5:24 pm

Sucks i'm already L33T, so i'll help the lucky bastard out, whoever it may be.

Ba??ly Hidd?? - July 19, 2010, 5:24 pm

I really want this because I've applied for about six or seven different contest and don't have enough money myself to buy L33T, but people are just going to keep waiting until it's almost at 69 to post. :/ Good luck to whoever wins.

#WizKhalifa - July 19, 2010, 5:25 pm

This thread is pretty much the greatest i have seen. I am going to post till we hit 69.

Ba??ly Hidd?? - July 19, 2010, 5:26 pm

I hope someone with 50 post and -3 rep doesn't win. I'd cry. Also, are you addicted to 69? O_o

#WizKhalifa - July 19, 2010, 5:27 pm

Im not going lie i like the 6 to the 9 . One thing i am not is a fan of 96.

Solidify - July 19, 2010, 5:29 pm

Let's get this party started. It'll be fun to see the 70th person sigh in disbelief.

Ba??ly Hidd?? - July 19, 2010, 5:30 pm

Nobody is posting in this thread. They're going to make us do all the work. I bet when this thread gets to like 67 replies no one will reply. Than after 68 replies everyone's going to post.

#WizKhalifa - July 19, 2010, 5:32 pm

Then us 3 will have to make a party train all the way to 69 not shifty five. To SHIXTY NINE.

Bok1ca - July 19, 2010, 5:33 pm

specialkay - July 19, 2010, 6:02 pm

Due to GTORacer double posting, one of his posts do not count. Therefore, the winner is Faulky. Sorry for the confusion!

#WizKhalifa - July 19, 2010, 6:03 pm

Yes i would like to thank 6 and 9. They created a wonderful baby that was named 69.

Also G0tme

Sleepy - July 19, 2010, 6:03 pm

Faulky 93 posts and -6 rep great choice. ?

Barely Hidden should of won he deserves it more. ?

Ba??ly Hidd?? - July 19, 2010, 6:04 pm

Wow! :(I thought I won though. Dangit. This is literally the 8th contest I entered to win L33T. :(That's not fair.

#WizKhalifa - July 19, 2010, 6:04 pm

well technically me and you are the only ones who posted the whole time.

Genequil - July 19, 2010, 6:05 pm

I still vote for Barely Hidden. Faulky doesn't seem deserving of it IMO

GTO Racer - July 19, 2010, 6:05 pm

Sorry for the double post, figured many people would be posting, waited the 20 seconds to post again and failed :(

Ba??ly Hidd?? - July 19, 2010, 6:06 pm

Who is the final winner after all of this? :(I still want to know.

specialkay - July 19, 2010, 6:07 pm

Faulky won, fair and square.

I agree with you, Hes more active and more deserving of l33t.

Ba??ly Hidd?? - July 19, 2010, 6:12 pm

Aren't double post usually combined into one post automatically? Did someone delete a post in between his? Anyways, Congratz Faulky. :/

Bok1ca - July 19, 2010, 6:27 pm

What happen Barely why u didnt get the l33t?:o

Bored to read before posts :/

Genequil - July 19, 2010, 6:36 pm

(Jul 19, 2010 06:27 PM)Bokica Wrote: [\[CITE\]](#) What happen Barely why u didnt get the l33t?:o

Bored to read before posts :/Well, apparently GTO Racer double posted, so g0tme said that Faulky actually won.

Though normally double posts are automatically combined, so there was probably a post between GTO Racer's that got deleted. If he counted that deleted post, then Pr:ozaca would have won, but he's already UB3R, so the next post would have won (which is Barely Hidden). I think it's a little stupid, but it is g0tme's decision I suppose.

Cognitive Decline - July 19, 2010, 6:38 pm

I'm surprised this wasn't closed before it ended, most threads that just cause spam are closed pretty fast.

And that's messed up, Barely Hidden should have gotten it. He seems to be the higher quality member either way.

Ba??ly Hidd?? - July 19, 2010, 6:46 pm

Well congratz to Faulky. I hope he likes his L33T. :/ Thanks for the comments by the way guys. :/ Faulky, you have false scam reports on your profile btw.

Ba??ly Hidd?? - July 19, 2010, 11:40 pm

Do these post combine? Let me check!

Edit: It only combines within about a 2 hour period, which is over how long this contest was. So

someone deleted a post there. :(

I've been screwed over 8 times and counting. ./ I'm just going to save up for it.

Testing again. I reported myself so I can get is post removed. :(
