Thread: [\[L33t/Ub3r\] Gears Of War 4 Giveaway!](#)

CHAOs - January 28, 2017, 2:48 am

Hello fellas, since i can't sell this game, and i don't really play it anymore, i decided to open a giveaway and give something back to the community.

You can post once per page and if you have an open scam report, you will be disqualified.

I will choose a random person the 7th of February via random.org, your post will be your entry number.

Good luck! ?

FunctionDev - January 28, 2017, 2:49 am

I was just about to advise you to include which platform it was on, but then my mind came back to me lol. Posting to enter this as my games collection is a little scarce of late and GoW 4 would be a fantastic edition as I have been a fan since the first was released over ten years ago.
