Thread: [Free 1000 Website Visits](#)

Gamer - January 28, 2017, 2:13 pm

So I'll get back to "giving back" to the community, I'll be sending 1000 website hits to all L33t/Ub3r's, possibly normal users eventually as well - In the start I'll only be doing upgraded users nevertheless.

Either post below or pm me with your link - I'll be using goo.gl to shorten your link and keep track of how many views I've sent.

Sometimes you'll be lucky and get a few more hits, all depends on the system really ?
