Thread: [\[NEW PPD SITE\] Make Money with Uploading files](#)

Martina88 - January 29, 2017, 10:36 am

Hey guys and welcome to this Tutorial.

Today I wanna show you how to make Money with Uploading Files.

1.) Introductions

- You can Upload and share your file on blogs/sites/forums/social media to get downloads and earn money from it. You can also promote us by referring users and earn referral comission. Also Active affiliates get better rates!

2.) Payments

- Minimum Payout is \$10
- Payments are made via PayPal, Bitcoins, Payza, Neteller,...
- Withdrawals are processed within 24-48 hours (7 Days) after request.

3.) Payment Rates

Now lets come to the Tutorial

- -----
- 1.) Create an Account on This ([uploadocean.com/free11963.html](#)) Website
 - 2.) Go to "My Account" and then to "Configuration" and set you Payment Method (PayPal etc.)
 - 3.) Upload some Files and share them with your Friends
 - 4.) On the Page "Reports" you see your Money
 - 5.) To Request your Money, go to "Request Money" and press "Request Payout"

Enjoy making Money :)
