Thanks for pointing that out, working on fixing that

blackpsychx - January 30, 2017, 10:25 am

Nice ! The effects are very dope !

if-ea - January 31, 2017, 6:32 am

Thanks very much. Appreciate it

Impressive

Did you make this website? And I like the effects

BorgEntomon - February 16, 2017, 7:16 am

"don't worry, I'm white"

I'm kidding, your site looks nice.

Tiny ?ick - February 16, 2017, 3:28 pm

Looks pretty nice what did you make it with?

Not Your Average Orange - February 16, 2017, 7:01 pm

I don't really like the layout, but that's just my opinion.

Also, the chin of the guy looks kinda disturbing...

I have always wanted to make a site something similar to this however when I took web design my teacher only taught us microsoft publisher so I never had the chance to learn dreamweaver and other stuff like it.

1. Drag website dimensions to mobile responsive view.
2. Scroll down to "contact".
3. Drag website dimensions to desktop view.
4. Attempt to refresh, page is stuck at "contact".

I am not a developer, and I am not offering coding services, so this is quite irrelevant to the services I am offering on my website.
