BR?ND?N - January 31, 2017, 5:02 pm

- 1.For us kids in the U.S Club Penguin was a part of growing up.
2. Well spamming shit ain't gonna help that

Saltpeter - January 31, 2017, 6:22 pm

Wow I'm honestly surprised it stuck around for this long.

I was a Runescape kid instead.

Varane - January 31, 2017, 6:24 pm

My early childhood was built around this game, the fact it survived this long is what surprised me.

BoyInWhite - January 31, 2017, 6:28 pm

I used to play with my crush.
Damn memories

Rip

The Boogeyman - January 31, 2017, 6:29 pm

That game was my childhood and I met every famous penguin which got me all the backgrounds. I also had the boat igloo. Dam what a shame.

Kodak White - January 31, 2017, 6:39 pm

Time to go cuss some innocent little white fucker out and get banned

FrogSquad4 - January 31, 2017, 6:42 pm

Yo this game was fucking amazing when I was like 7 years old, I bought over 5 memberships for that shit. damn

Kodak White - January 31, 2017, 6:44 pm

Aye catch me on CP rn, leethaxor is my user

FROst - January 31, 2017, 6:53 pm

I can't believe that they are really doing this I remember playing this when I was younger.

Techius - January 31, 2017, 6:59 pm

I never cared about CP. It is about time they modernised though.

TheWHO? - January 31, 2017, 7:03 pm

Had some good memories playing C.P. when I was young, sad to see it go.

NinjaLeaks - January 31, 2017, 7:04 pm

Damn, played that hella lot when I was younger. Sucks that they are shutting it down.

iKanye - January 31, 2017, 7:04 pm

club penguin is just relaunching it on a new platform

Knucklez. - January 31, 2017, 7:05 pm

I used to play this in like 5th grade. Now I just find the memes for it funny.

Superman84 - January 31, 2017, 7:40 pm

Man this is sad, i used to like this game ;(

Then they made everything require a membership :(

Shadow Reign - January 31, 2017, 7:52 pm

I honestly have no idea what club penguin is but i'm sure there will be private servers for it eventually if there's not already. If the real servers are shutting down, someone will see it as a new way to make some money and throw some private servers up.

Dragnite - January 31, 2017, 8:01 pm

Fuckin' Disney bitch ass motherfuckers.

Cub™ - January 31, 2017, 8:10 pm

Only played a couple times long ago. Honestly, I had no idea it was still a thing.

oRequiem - January 31, 2017, 8:36 pm

I wonder why they would take it down?

Guess I'll look up the reason why and see if I can find out.

I use to play that when I was really little (Hardly though).

Memories are being dumped in the dumpster.

Dragnite - January 31, 2017, 8:38 pm

how else am i supposed to be an absolute meme machine without my club penguin ??

Honestly I'm surprised they lasted this long. Club penguin was most alive many years ago when our generation was younger (during the time webkinz was huge (most might not know what I'm talking about)). It's sad that kids now a days don't enjoy the simple pleasures like we did.

In ways I feel left out since I was never into things like Club Penguin or Runescape as a kid. I have no nostalgia to chime in with.
Unfortunate its going down since I know how popular and classic it was.

Not really obv you haven't, some dudes hop straight into members for some reason, if you get into the game I recommend it but yeah it's probably not worth it otherwise.

Ayy I feel you on that, the grind is real. I haven't botted my current account and probably won't because of previous losses. Definitely makes it difficult for me to really get back into the game because I've already done it all so many times and the nostalgia of it all is gone, was fun when I had people to play with but they're all a bunch of pussy asses so nah fuck that.

Yeah actually seeing this thread reminded me of runescape. I checked back on that game and it seems like it's actually still going strong. I made an oldschool account or whatever. It's just like it was when I played years ago.

No no, don't get me wrong I am saddened on the inside. But I've been thinking for the longest how amazing it is that its has survived for this long. That's why its funny, cause its crazy

Lana Del Rey_ - February 6, 2017, 6:55 pm

That's crazy they're shutting it down! Surprised this is happening since Disney bought the company. This is going to be heart breaking to some kids when they try and login in the next month. I just signed into my account and took a pic of how old my penguin is.
