Thread: [Remotley install without victim Clicks on it?](#)

germi89 - February 1, 2017, 7:58 am

Is it possible to send a rat to an email and Then it autodownload without victim Clicks on it?

|

Armada - February 1, 2017, 7:59 am

No, Binary files must be executed on the machine.

Administratemyass - February 1, 2017, 8:02 am

Unless you have an exploit for gmail's smtp server then no you cannot.
