R?R - February 2, 2017, 4:56 pm

Hello HF, I'm currently looking to sell my personal Twitch account with about 2,700 followers (All real) and roughly 60,000 channel views. The account has been active for awhile and the name has been changed. The email is not verified nor is it currently an Affiliate. Do you want a head start on twitch? Look no further! Any questions don't hesitate to message me or post below.
