What are you applying to win: L33t Upgrade

One contribution you have made to this forum (Please link specifics): I first started on HackForums E-Whoring and would livestream often trying to help others learn the basics of E-Whoring. I'm always making an effort to help people out when I can.

<https://hackforums.net/showthread.php?tid=5537632>. Also I'm always available if anyone ever wants to talk, indicated my signature.

What do you plan to offer HF in the future?: I want to open up a social media panel and also provide programming services. Eventually I want to open up a business and enable people to make money in ways they otherwise would not have thought. I want to give back to the community and be a strong presence.

What else would you like me to know? : I go to school and work full time so just wanted to say thanks a ton for the opportunity to enter this contest and say thanks on the behalf of the entire community.

I believe an upgrade would enable me to be more trustworthy, distribute rep to people I believe deserve it, and seem more respectable to the community.

Thanks,

Clyde Frog

What do you plan to offer HF in the future?: I plan on upgrading members like you did for me.

What else would you like me to know? : Thanks again for upgrading me.

Brenton - February 7, 2017, 11:00 am

Contest is still up! Let's get some more entries for l33t!!

Kashira - February 7, 2017, 5:43 pm

What are you applying to win: Gift award or epic upgrade.

One contribution you have made to this forum (Please link specifics): Currently giving away a snapchat method to those who don't know <https://hackforums.net/showthread.php?tid=5545880>

What do you plan to offer HF in the future?: I've always helped users in the ewhoring section and have spent countless hours mentoring, besides that hopefully I'll do a giveaway rather soon. =)

What else would you like me to know? :I'm a rust god and a mini-weeb.

Edit* Forgot to say, Thanks OP for being generous to all!

Edit** Holy sh*t thanks a lot for epic

The Poseidon - February 7, 2017, 5:49 pm

What are you applying to win: EP1C

One contribution you have made to this forum (Please link specifics): I do AGC giveaways every now and then to members since it makes me feel good about myself and it makes me happy knowing that something so little to me can mean something so big to someone else.

What do you plan to offer HF in the future?: I plan on helping a lot of people whether it's from personal in real life support to financial issues, everyone has a state of mind and my mind is opening up and making people feel comfortable with me, I hope to develop intense relationships and attributes through-out this forum because I do see myself potentially becoming a big part of the forum overall.

What else would you like me to know?: If you'd like to know any more about me, feel free to contact

me and I'll happily tell you anything.

EDIT - have a warning level of 20% so nothing can be done in regard to an upgrade to ub3r so I will edit my request to EP1C instead.

Thank you very much for this contest, once I grow through-out the forum, I will definitely be contributing like this as you're doing yourself.

Brenton - February 7, 2017, 6:11 pm

Just upgraded two more users to EP1C.
Keep them coming :)

The Poseidon - February 7, 2017, 6:34 pm

What a kind person you are, Brenton.

Thank you very much for the upgrade to EP1C!

Arrogance - February 7, 2017, 6:38 pm

I've never been good at filling applications for this sort of thing (would be for 3p1c if any) so instead I figured I could publicly appreciate you doing this mass-upgrade for the community, if I could give back to the community like that I also would.

Great work Brenton, kudos to you for doing this.

Kashira - February 7, 2017, 10:04 pm

Just have to give Brenton a big thanks for buying me 3p1c and the things hes bought others. Very generous OP we have here.

What are you applying to win: Ub3r Upgrade!

One contribution you have made to this forum (Please link specifics): L33T and Emerald Award.
Also gave away BTC in my time here.

What do you plan to offer HF in the future?: Crypto Xchanges (requires ub3r to start that business) and planning to help the CPA / PPI Section abit.

What else would you like me to know? : I have been a very generous member on here for some time. I think its time for me to move on the blue side and explore more sections of this forum. i am a very friendly guy that likes most topics about literally anything. I like helping members on here on

their stay to insure they are doing things right and help from their mistakes. Also , i have been waiting for my ub3r approval and i finally got it :) that is just another step up for me :). I really appreciate this upgrade contest since it would be massively a great awarding thing for me :) I hope you enjoy your time helping members like me to get upgraded and such other cheeky things :). Peace!

EDIT: Links to giveaways and such

What are you applying to win: Gift Award

One contribution you have made to this forum (Please link specifics): I have been a member of HF since late 2013 and since then I have tried to help in the various sections I have been involved in at each time. I started when i first joined helping in the eWhoring section, then RAtIng but most currently I have been trying to help the HF community by answering questions in the iOS and

iDevices section as well as trying to help in the CPA section. I have no current threads to link i just like to post in other people threads answering questions and such.

What do you plan to offer HF in the future?: I plan to when I learn more about CPA host a thread similar to Rod\$'s which is where users can ask questions about CPA and i can use my experience to tell them and help them. I also plan to carry on answering questions in the various sections.

What else would you like me to know? : Well I'm 17 and I am currently studying Software Dev in College (UK) i love being a member of this forum and expand my knowledge as well as everyone else and reconvening this award would be a nice way of showing its appreciated

What do you plan to offer HF in the future?:

More guides on new things that I've learnt, but most importantly I want to help new members establish themselves here if they need some advice or guidance.

What else would you like me to know? :

Thanks for doing this again

What are you applying to win: EP1C

One contribution you have made to this forum (Please link specifics): Proxy Scraper (Program I made), given away a few dollars to people asking for for money, also did phone verification's, and help users with issues.

What do you plan to offer HF in the future?: When I get money, I would love doing giveaways, they're fun, and I like giving. I would also love contributing anything I learn, programs I develop, websites, and I will continue assisting members the best I can.

What else would you like me to know? : My name is from a TV show because I'm unoriginal.
