Can you send me the code please

jessiethomasdavis - September 8, 2017, 9:47 am

some piece code please i took to compare with old macro,,, and how your macros work ?
and how about word UAC warning message etc, if macos has disabled by default... it's silent run?
even UAC word message without victim action click on word even after open .doc?

brownycriuse - September 8, 2017, 9:53 am

cant really PM bro, but i will appreciate if you can pm the code.

thanks in advance

sent the code . Thanks bro

Minor Ethics - November 3, 2017, 2:38 pm

If you still have this I would like the code. Thanks

Demoralise - November 3, 2017, 9:13 pm

Recoded this and now it is FUD. I coded a builder as well. If you want a copy just send me the direct link to your file and I will send you the code!
